

Membership Registration Guide

USATF membership, age verification, club transfers and AAU registration

1 Register for a USATF Youth Membership

1. Visit usatf.sport80.com to create an account or sign in. Select the **Youth** membership category.
2. Enter the athlete's personal and residency information. Your residency determines your local USATF Association. Select your team: **CT Blazers (05-0403)** or **CT Harriers (05-11393)**.
3. Pay the membership and transaction fees online. Your USATF membership number will be available upon completion.
4. Complete the athlete's age verification below. This is only required once.

2 Complete USATF Age Verification

1. Sign in to **USATF Connect**. Go to **Personal Account**, click **View**, then open **Athlete Verifications**.
2. Upload a clear, legible copy of the athlete's **birth certificate or passport**. The file must be **under 20 MB**.
3. The status will change to **Pending**. Allow up to **5 business days** for National Office review.

3 Transfer an Existing USATF Club Affiliation

For athletes currently affiliated with another USATF club.

1. Sign in to **USATF Connect** and open the athlete's profile. For a family account, select the athlete under **My Members**.
2. Open **Memberships**. Under **Actions**, click the three dots at the far right, then select **Transfers** and **Start Transfer**.
3. Search for and select your team: **CT Blazers (05-0403)** or **CT Harriers (05-11393)**. Indicate that this is **not a temporary move**, then submit the request.

4 Register for an AAU Youth Athlete Membership

1. Visit aau.uventex.com or aausports.org/membership. Sign in or select **Sign Up**.
2. Choose **Youth Athlete Membership** and select **Track and Field (X-Country, Multi-Events)**. Enter the athlete's personal information and birthdate.
3. Enter your team's AAU club code when available. **Confirm the appropriate AAU code with your coach before registering.**
4. Accept the terms, follow any parent/guardian verification prompts through **Veriff**, and complete payment. Follow the portal's instructions for any required ID upload or photo.
5. After payment, access the digital membership card and number in the portal. The card can be added to Apple Wallet or Google Wallet.
